Our charity number is 1187108. Our church building is at 215 Sharrowvale Road, Sheffield.

3. [Values and beliefs](#)

[We believe that:](#)

- 3.1. Everyone who engages with our church community, including staff, volunteers, and beneficiaries, has the right to be protected from any form of bullying, harassment, exploitation, or abuse and we will seek to ensure that we provide a caring and nurturing environment that is open and transparent, and that promotes the raising of concerns with senior leaders
- 3.2. We have a particular responsibility to protect and promote the wellbeing of those who have care and support needs and those at risk of abuse including children, young people, and adults at risk of abuse; ensuring they are safe while in our care and that we respond appropriately to disclosures or indicators that they may be experiencing abuse or neglect while in our care or elsewhere
- 3.3. Every member of our church community has a responsibility to act to support the values and commitments outlined in this policy
- 3.4. Everyone who engages with our church community has the right to be treated with dignity and respect
- 3.5. Our approach to safeguarding is rooted in, and is a practical outworking and expression of, our biblically based values and supports and confirms our gospel witness
- 3.6. **[Our approach to safeguarding is shaped by our belief as Christians that:](#)**
 - 3.6.1. God is holy, loving, merciful and just and he requires his people to live in accordance with his character; acting justly, loving mercy, and living humbly before our God who will ultimately judge all people for the deeds performed in this life
 - 3.6.2. The church, as the body of Christ on earth, should uphold truth and justice with grace, without fear or favour, prejudice, or privilege.
 - 3.6.3. Those in authority within the church are accountable to and will be judged by the God who sees all things and judges impartially.
 - 3.6.3.1. Higher standards are expected of leaders, who will be judged more severely than those who do not teach
 - 3.6.3.2. Leaders are to follow the example of Christ, leading with sacrificial, servant-hearted humility
 - 3.6.4. Sin in the church, should be identified, confronted, and dealt with through confession and repentance
 - 3.6.4.1. Where such sin involves criminal activity, it should be reported to the civil authorities who are appointed by God to uphold justice and order in society
 - 3.6.5. The church is not a gathering of sinless and perfect people, but rather a community of grace where we seek to encourage one another to grow in faith and obedience to God
 - 3.6.5.1. We are called to encourage and challenge each other lovingly and to spur one another on to greater holiness and obedience to God in an attitude of humility, grace, and forgiveness
 - 3.6.5.2. Where necessary, the church may impose formal discipline on its members in accord with its governing documents and rules of church order.
 - 3.6.6. We are to honour those that God has set in authority over us and to live as responsible and good citizens in the time and place that God has set us
 - 3.6.7. Every human life, including that of the unborn, is valuable to God and each person bears his image

- 3.6.8. We live in a fallen and sinful world, where there are many risks and dangers and we must seek to protect everyone, but particularly the vulnerable in our midst from those dangers
- 3.6.9. God cares for the widow, the orphan, and the stranger; he calls us to protect and care for those who are vulnerable in our society and to oppose exploitation, oppression, abuse, and the inflicting of harm due to negligence
- 3.6.10. Jesus' example was one of valuing and caring about those with whom he came into contact; even when delivering difficult and challenging messages
- 3.6.11. We are to love those around us as God loves them and to seek to bring healing, restoration, and reconciliation to broken and damaged lives by the manifestation of the love of God through us
- 3.6.12. The church is a place of grace, forgiveness and transformation, justice, truth, and holiness
 - 3.6.12.1. The gospel offers forgiveness by grace, through faith, but does not negate justice or remove the temporal consequences of the sin that has been forgiven
- 3.6.13. In this present time, the kingdom of God on earth is a spiritual kingdom that resides in the lives of God's people, and is only advanced by proclamation and the work of the Holy Spirit in convicting and convincing
 - 3.6.13.1. The kingdom of God cannot be advanced by coercion or force

7. Recruitment and ongoing support of staff and volunteers

The recruitment / appointment and support of staff and volunteers is of critical importance to The Crowded House Sharrowvale and to our work and ministry. To fulfil our legal duties and to ensure we meet the still higher standards dictated by scripture, all staff and volunteers will be subject to appropriate recruitment processes.

7.1. **Management of recruitment processes**

- 7.1.1. At least one person who is involved in the process of recruitment of staff or appointment of volunteers will be trained in Safe Recruitment
- 7.1.2. Staff and volunteers will be provided with written Job / role descriptions and person specifications prior to deciding whether to take up the position / role
 - 7.1.2.1. Roles that involve regulated activity and which consequently are subject to a DBS check will be clearly identified as exempt from the Rehabilitation of Offenders Act
- 7.1.3. Appropriate records will be kept of all recruitment processes and decisions
- 7.1.4. A “Single Central Record” of recruitment checks and a training log will be maintained

7.2. Recruitment process

- 7.2.1. Prior to appointment, all staff and volunteers will be required to submit an application form (see appendix D) including a self-declaration of fitness and suitability for the role. Where necessary and appropriate (e.g., lack of literacy skills, English as a second language etc) support can be provided for completion of the forms.

Paid staff positions

- 7.2.2. Prior to appointment all paid staff will be required to attend a formal interview, regardless of whether a competitive process is in operation
- 7.2.3. Prior to appointment of staff, references will be sought, including, where possible, a reference from the current or previous employer
- 7.2.4. Upon commencement of their position, all staff will be required to complete a formal induction process as outlined in their role description and including any matters identified during the recruitment process
- 7.2.5. The Single Central Record, training Log and Personnel file will be updated as appropriate throughout the process

Volunteer positions

- 7.2.6. Prior to appointment, all volunteers will be required to attend a formal discussion to ensure their suitability and clarity of understanding of the role and its requirements
- 7.2.7. Prior to appointment, references will be sought. Where an appropriate reference was obtained at the time of application for formal church membership, this may be used, and internal references are acceptable
- 7.2.8. Following appointment and prior to commencement of the role, volunteers will be required to complete a formal induction process as defined in the role description
- 7.2.9. The Single Central Record, training Log and Personnel file will be updated as appropriate throughout the process

DBS Checks

- 7.2.10. Following appointment and prior to commencement of the role, staff and volunteers involved in regulated activity will be required to complete a DBS check
 - 7.2.10.1. Under normal circumstances, the individual will not commence their role until the result of the DBS check has been received
 - 7.2.10.2. Under exceptional circumstances and where it is necessary for the person to commence prior to receipt of the DBS check result, a formal risk assessment will be completed

- 7.2.10.3. The duties that are permitted, and all measures implemented to prevent the individual having unsupervised access to vulnerable people, are described in the Role Description and Risk Assessment for each ministry and will be agreed in writing by the appointee and the DSL or the Safeguarding Trustee.
- 7.2.11. Once formal notification of a clear DBS check has been received, the Single Central Record will be updated with the relevant information

Blemished DBS Checks

- 7.2.12. The applicant will be asked to present the DBS certificate to the Lead Recruiter
 - 7.2.12.1. The applicant may, if they wish to, withdraw their application
 - 7.2.12.2. If the application is withdrawn, consideration should be given to whether the “Management of ex-offenders or those who pose an actual or potential risk to others; particularly to vulnerable people” (*see section 14 of this policy*) process needs to be triggered
- 7.2.13. If the applicant self-declared the blemish and it has been discussed previously, the recruiter will check to ensure that the detail provided in the self-disclosure is consistent with the information on the DBS certificate
- 7.2.14. If the applicant did not self-disclose, an open conversation about the circumstances of the blemish will be discussed with the applicant
- 7.2.15. Whether the discussion arises from self-disclosure or examination of the certificate, a formal assessment will be conducted to ascertain the applicant’s suitability for the role and the outcome will be recorded
 - 7.2.15.1. Advice can be sought from CSS if required
 - 7.2.15.2. The applicant will be given every opportunity to provide input to the assessment and the outcome will be explained to them
- 7.2.16. A blemished DBS check does not necessarily prevent the individual from engaging in regulated activity. The risk assessment may conclude:
 - 7.2.16.1. That the individual is unsuitable for the role
 - 7.2.16.2. That further investigation is required
 - 7.2.16.3. That the person is suitable for the role with restrictions
 - 7.2.16.4. That the blemish does not indicate unsuitability
- 7.2.17. If the risk assessment concludes that the individual is unsuitable for the role, consideration will be given to whether the “Management of ex-offenders or those who pose an actual or potential risk to others; particularly to vulnerable people” (*see section 14 of this policy*) process needs to be triggered
- 7.2.18. Once the details of the certificate have been recorded in the Single Central Record, the certificate will be returned to the applicant and no copies will be retained

Probationary periods

The precise nature and expectations of probationary periods will vary from role-to role as described in the role description, however, they are intended to be supportive of the volunteer / employee and to provide a framework that provides accountability to both the individual and the organisation. Probationary periods will not be used for punitive purposes.

- 7.2.19. All staff and volunteers will be subject to a formal probationary period
- 7.2.20. Prior to commencement of the role, a clear statement of the criteria for successful completion of the probationary period will be provided

- 7.2.21. Regular support, guidance and review will be provided throughout the probationary period and the outcome (passed, extended, failed) will be communicated to the employee or volunteer prior to the end of the probationary period and records will be retained of all discussions

Ongoing support and supervision

- 7.2.22. All staff and volunteers will receive proportionate supervision and pastoral care. Supervision will include both personal wellbeing and performance management
- 7.2.23. Where DBS checks are required, these will be updated at least every three years

Training

- 7.2.24. All staff and volunteers in roles that involve regulated activity or those who manage such staff will be required to attend regular safeguarding training

9. Responding to and reporting safeguarding concerns and disclosures

Managing immediate risk

- 9.1. Upon identification of a concern or receipt of a disclosure, the worker involved should make an assessment as to whether any immediate action is necessary to protect the individual
 - 9.1.1. The worker may seek advice from the team leader or from the DSL, however, the seeking of advice should not unnecessarily delay or prevent the protective action or place the individual at risk of further or increased harm
 - 9.1.2. In such urgent situations and if the DSL cannot be immediately contacted, the worker should contact either the police on 999 or Social Care to obtain support. Under such circumstances, the DSL should be notified at the earliest possible opportunity

 - 9.2.1. The concerns will be discussed with the DSL at the earliest opportunity, to ensure clarity of understanding
 - 9.2.2. Details of the concern must be recorded on the “Incidents and concerns reporting form” (See appendix D) either before, during, or immediately after the discussion with the DSL

Managing the risks: the role of the DSL

- 9.3. In discussion with the worker reporting the concern, the DSL will review any immediate actions taken and will be responsible for follow-up or further action that may be required
- 9.4. Upon receipt of the completed form, the DSL will establish a “Confidential File” in relation to the person at risk
 - 9.4.1. A Chronology (See appendix D) will be established and inserted at the front of the confidential file
 - 9.4.2. The confidential file will be updated with any further discussions or actions, including any advice sought or referrals made and updating will continue on an ongoing basis
 - 9.4.2.1. The DSL will confirm to the person raising the concern that the matter has been actioned. The DSL will not provide any unnecessary information. Information is only shared on a “need to know” basis
- 9.5. Where the concern meets the statutory threshold, the DSL will notify the parent or carer of the individual concerned (or the individual themselves if they are a competent adult) that a referral is being made to Social Care
 - 9.5.1. Information will not be shared with the parent / carer in situations where:
 - 9.5.1.1. To do so would place a child at increased risk of harm or neglect
 - 9.5.1.2. To do so would place an adult at increased risk of harm or abuse
 - 9.5.1.3. The concern relates to Fabricated or Induced Illness
 - 9.5.2. The referral will be made to the appropriate Social Care service (See appendix B for contact details)
 - 9.5.3. If the referral has not been acknowledged within 3 working days, the DSL will follow up with Childrens/ Adult social care.
 - 9.5.4. The DSL will work with the Local Authority and other partners on behalf of the church to ensure that we fully participate in the safeguarding process
 - 9.5.5. All conversations, correspondence, and documentation etc will be placed into the confidential file and the “Record of action” and Chronology will be maintained on an ongoing basis
- 9.6. Confidential files will be stored in the Designated Safeguarding Lead’s Folder
- 9.7. The DSL will share information as necessary with other individuals in the church to facilitate effective safeguarding

10. Allegations against or concerns about staff and volunteers

The Crowded House Sharrowvale take allegations against our staff and volunteers very seriously and will ensure that they are investigated thoroughly, via a transparent process that expedites the matter in a timely manner. We recognise that we have a responsibility to take the allegation seriously, to manage the situation effectively while the investigation takes place and to support the person accused throughout the process.

- 10.1. Allegations against staff or volunteers within the church should be reported to the Designated Safeguarding Lead

- 10.1.1. If the allegation is against an Elder, it should be reported to the Designated Safeguarding Lead and the chair of Trustees
- 10.2. Full details of the allegation will be recorded
- 10.3. An investigating officer will be appointed to assess whether any immediate action is required to ensure the safety of everyone involved
 - 10.3.1. Dependent upon circumstances and the immediate action required, notifying the individual that an allegation has been received may be unavoidable
 - 10.3.2. If so, care will be taken not to compromise the gathering of evidence.
 - 10.3.3. If it is necessary to notify the individual at this stage, details of the allegation will not be divulged
 - 10.3.4. If there was an allegation about a member of staff, it may, depending on the nature of the allegation, be appropriate for the church as the employer to suspend the employee whilst an investigation takes place. Action short of suspension may also be considered to mitigate the risk(s) to the subject and potential victim(s). Action will be taken according to the church's employment procedures.
 - 10.3.5. Appropriate pastoral support must be offered to the subject of the allegation as well as any potential victims
- 10.4. At the earliest opportunity, the LADO (Local Authority Designated Officer) should be consulted
 - 10.4.1. If the LADO cannot be contacted due to working hours, initial advice can be sought from Christian Safeguarding Services (CSS)
- 10.5. If the allegation meets the threshold for LADO, the church's investigating officer will work with LADO to ensure that the allegation is thoroughly investigated, and all issues raised are addressed
- 10.6. If the allegation does not meet the threshold for LADO, the investigating officer will consult with CSS, who will provide independent support and advice to ensure transparency
- 10.7. Thorough records of all aspects of the handling of the allegation will be retained throughout the process.
 - 10.7.1. These records will be held confidentially in a shared Google Drive folder accessible only by the DSL, deputy DSL and non-elder Trustee responsible for safeguarding.
- 10.8. The DSL will seek and follow specialist advice throughout the process

11. Management of ex-offenders or those who pose an actual or potential risk to others; particularly to vulnerable people

As a church, we believe in the power of God to forgive and transform individuals. We also believe that every individual is valuable to God and should be protected; particularly those who are vulnerable.

- 11.1. Where the church becomes aware that an individual is an ex-offender or that they may pose a risk to vulnerable people, the church leaders will enter into an open and frank discourse with that individual to understand the context and the risks
- 11.2. With the consent of the individual (if required), the church will seek to work in partnership with probation services or other agencies supporting the individual where this is appropriate
- 11.3. The leaders will assess the risk posed by the individual and a formal risk assessment will be formulated
- 11.4. A formal agreement with the individual will be drawn up and will be signed by both the individual and the church leaders. The agreement will include:
 - 11.4.1. The church's commitments to the individual who poses the risk
 - 11.4.2. The steps the church will take to support the individual while simultaneously protecting everyone in the church community
 - 11.4.3. The restrictions and conditions that will be applied to the individual's involvement in the life of the church
 - 11.4.4. The consequences of failure to comply with the agreement

- 11.4.5. When and how the risk assessment and formal contract will be reviewed
- 11.5. All decisions and agreements will be formally recorded and securely stored
- 11.6. The individual who poses a risk will be fully involved in the planning process and information will only be shared with church members by the leaders either:
 - 11.6.1. With the agreement of the individual who poses a risk
 - 11.6.2. Where information needs to be shared to protect vulnerable people and then, only the minimum information that is essential will be shared and the individual will be informed in advance what information will be shared
- 11.7. If the individual chooses to leave the church to avoid the management of the risk and starts to attend elsewhere, the church leaders will take specialist advice as to whether this information should be passed on.

12. Concerns about practice and whistleblowing

The Crowded House Sharrowvale (TCH) strives to create an environment that is open, transparent, and accountable. We want to listen and respond well to any concerns raised by our staff and volunteers.

- 12.1. Staff and volunteers are encouraged to raise concerns about process, practice, or culture with the ministry leader
 - 12.1.1. If they do not feel able to do so, or if they feel that concerns raised have not been given due consideration, they can be raised with the DSL/ADSL, with one of the senior leaders, or with the Safeguarding Trustee or the Chair of Trustees
- 12.2. The concerns will be carefully considered, and a formal response will be provided to the individual explaining the decision. The examination of the concerns raised may conclude:
 - 12.2.1. The concerns are wholly or partially valid and require corrective action
 - 12.2.2. That the concerns did not take account of all relevant factors, and no further action is required
 - 12.2.3. That the concerns were invalid and have been dismissed
- 12.3. If the complainant is not satisfied with the response, they should formally raise the matter with the Safeguarding Trustee or the Chair of Trustees, explaining their concerns about the adequacy of the initial response. Details of how this can be done will be communicated at the same time as the initial response
- 12.4. Once the Trustees have considered the matter, they will formally respond to the complainant in writing, explaining their findings and the rationale for their decision
 - 12.4.1. Details of how to raise the complaint externally will also be provided as part of the response
 - 12.4.2. This will include contacting the Charity Commission, details of the NSPCC whistleblowing helpline and any other measures that the trustees wish to offer

Definitions used in this policy

Additional needs: is a term most often applied to children who require support beyond what we would usually expect to provide to a child of that age or developmental stage.

Adult: a person who is at least 18 years of age

Adult at risk of abuse / in need of protection: refers to adults who have care and support needs, are at risk of abuse, and due to their support needs are unable to protect themselves from the abuse.

Adult with care and / or support needs: refers to an adult who requires help with day-to-day tasks that most people would be able to perform for themselves.

Child: A child is a person who has not yet attained their 18th birthday which aligns with the United Nations Convention of the Rights of the Child. Unborn children are included within the scope of Child Protection.

Child in Need: Similar to targeted safeguarding, this refers to care and support that is offered to a child or family with more complex needs such that if effective support is not provided, the child is unlikely to achieve or maintain a satisfactory level of health, development, or wellbeing.

Child Protection: refers to safeguarding activity that has met the statutory threshold for referral to the Police or Social Care and involves the prevention of, or response to “significant harm”.

Deacon(s): refers to those appointed by the church to that office to support the Elders and serve the church in practical and legal matters.

Elder(s): refers to those appointed by the church to that office to provide spiritual leadership and instruction. The Elders have the spiritual authority within the church.

Officers: refers to all those who hold formal office in the church including Deacons and Elders, and Trustees.

Regulated activity: refers to activity that a barred person must not do. In simple terms, it is activity that requires a DBS check.

Safeguarding arrangements: is used in this policy, procedures and related documents as a generic term that includes all aspects of the church’s approach to safeguarding, including matters related to policy, process, culture, and practice

Single Central Record: is the master record of all pre-appointment checks and processes that were completed prior to appointment to a role.

Spectrum of safeguarding: is the whole range of safeguarding activities that includes universal safeguarding, consent-based care, and support (i.e., support that falls below the statutory threshold), and the statutory responsibility to protect children, young people, and adults at risk of abuse from significant harm.

Staff: refers to any paid employee or office holder.

Statutory threshold: the point at which the church has a duty to report a concern to one of the statutory bodies such as the Police, Social Care, or the Charity Commission.

Sub-threshold (or consent based) safeguarding: matters or concerns which do not meet the criteria for referral to statutory authorities. These issues may still be serious and require a response from the church, however, internal processes will be followed.

Targeted Safeguarding: care or support that is offered to a child or their family on the basis of consent to prevent harm and promote wellbeing where there is a risk of poor outcomes for the individual if their support needs are not met.

Trustee(s) refers to those who are legally responsible for the governance and oversight of the charity.

Universal safeguarding: activity that is required to keep everyone safe. This includes those who have no additional needs and includes the interface with other aspects of safety such as Health and Safety and employer responsibilities.

Volunteer(s): refers to anyone who is appointed by the church to a role or who performs identified tasks on behalf of the church for which they receive no payment (other than out-of-pocket expenses that are appropriately authorised).

Vulnerable people: is a generic term that can be used to mean different things and so care is needed. In the context of this policy, the term is used in a generic sense to include anyone who has a support or care need or whose ability to protect themselves against abuse is limited. This includes children, young people, adults with support needs and adults at risk of abuse. It also includes those who, due to specific individual circumstances find themselves, either for a short time or over a more extended time, requiring additional care, support, or protection, but who would not otherwise be regarded as needing support.

The Crowded House Sharroovale safeguarding statement

We want everyone who comes into contact with us to feel safe, valued and cared for. We believe that each person is made in the image of God, and as a result have an inherent dignity and worth.

We also recognise that we live in a sinful world, where human beings rebel against God and his ways for us, and harm one another in innumerable ways. We believe that the human heart is wicked and deceitful and that we are all capable of falling into sin.

We believe in the good news that God offers us forgiveness and new life if we will receive Jesus Christ as our saviour and Lord. We believe that when we submit to God and allow him to work in us by his Holy Spirit, we will grow in our faith and gradually become more like Jesus. Our greatest purpose and joy is to be in relationship with God, and to know his transforming work within us that gives us the power to change and become more Christlike; living lives that glorify God.

The church is a place where the love of God for each person is displayed and where we live, learn, and grow together in our faith. This involves supporting, encouraging, and even challenging and rebuking one another when we sin; all for the glory of God and for our individual and mutual good. We believe that God sees everything and that he knows even our secret and hidden sins and that one day each of us will stand before him as our judge.

As we journey and grow together in this life of faith, we recognise that we are not perfect and that at various times we will all have to both offer and seek forgiveness from others. We do, however, recognise that within our church there is the opportunity for individuals or groups to harm, abuse, or exploit others. We as a church wish to stand against any misuse of power, abuse, or exploitation. We all have a responsibility to care for and protect each member of our church community, but particularly those who are weaker or more vulnerable.

If you have any concerns about the way that you, or anyone else has been treated, or about anything that we do as a church, please speak to one of the Elders or deacons or to one of our Safeguarding Officers. You can find out who they are from the posters on the notice boards. Our safeguarding policy and procedures are available on our website.

As a church we take safeguarding seriously and we work with local and national organisations to help us to do all we can to keep everyone safe. We will fulfil all our legal duties to protect both children and Adults at Risk of Abuse, but we aim to go above and beyond and to discharge our safeguarding duties in a way that is biblically faithful and pleasing to our loving heavenly father, who calls us to do justice, love kindness and to walk humbly before him.

We commit to speaking to you openly and honestly if we have any concerns that you need to know about. If you have any concerns or require any support or help, please do not hesitate to speak to someone that you trust within the church.
