Verse 2

We're a people with a history,
chosen before time began,
Jesus came to earth as promised,
Christ our Saviour, God made man,
Adam's curse he turned to blessing,
died our death and rose again.
Now he fills us with his Spirit
to proclaim his gracious reign.

Verse 3

We're a people in the present,
given power from above.
Christ unites his baptised people
round the bread and wine in love.
Guilty sinners find a welcome,
grace restores us in God's sight.
So our life and words proclaim him,
littering the world with light.
